Long-blade Shear for Plate and Rounds

2 BR 4 / 300 / 2

Technical Data

| Model | 2 BR 4 / 300 / 2 | |
|--------------|------------------|-------|
| plate | up to mm | 4 |
| rounds | up to mm | 13 |
| blade length | mm | 300 |
| net weight | kg | 30 |
| part no. | | 20019 |

top blade

part no.
20001 5 1000

bottom blade

part no.
20006 5 1001

All capacities refer to material with a tensile strength of 450 N/mm². We reserve the right to make design alterations without notice.

- Particularly rugged machine frame of tempered steel.
- Special frame design guarantees trouble-free feeding of the material.
- Blades of high grade tool steel, hardened and ground.
- Hand lever with safety spring.
- Infinitely adjustable hold-down.

The operator has a clear view over the full blade length enabling work to be performed on layouted plate.
